### Changes to your insurance

**You must tell us if any of the following details change before you need cover to start:**

- › you change your car;
- › you modify your car (please see general condition 8 for further details);
- › you add another driver to your policy or amend the driving restriction;
- › you change the use of your car (e.g. change from social domestic and pleasure to business use).

**You must tell us immediately if any of the following details change:**

- › the address where you normally keep your car;
- › if you, or anyone covered by this policy change jobs, including part time.

Any change during the period of insurance may result in an additional or return premium.

Failure to provide correct information or inform us of any changes could adversely affect your policy, including invalidating your policy or claims being rejected or not fully paid.

### Are my electric car charging cables covered?

Charging cables and your home charger are considered an accessory to your car which means they are covered for accidental damage, fire and theft. You are also covered for any accidents involving your charging cables when they are attached to your car, for example, someone tripping over your cable as long as you've taken reasonable steps to prevent such an accident.

### Is my electric car battery covered?

Damage to your car's battery is covered should it be damaged as a result of an insured incident. Cover applies whether your battery is owned or leased.

## Your policy

**This policy booklet gives full details of your cover. You should read it along with your certificate of motor insurance. Please keep all your documents in a safe place.**

Your policy is made up of:

- › this policy booklet from pages 5 to 20;
- › the certificate of motor insurance;
- › any Telematics Terms and Conditions we have provided you with, if we have asked you to install a Telematics Device to your car.

We aim to always be fair and reasonable and to act quickly whenever you need to make a claim under this policy. If you feel we have not met this, we will try to do everything possible to deal with your complaint quickly and fairly.

This policy is evidence of the contract between you and us, U K Insurance Limited, based on information you have given to us.

We will provide insurance under this policy for the sections shown in this policy booklet as applying for the accident, injury, loss or damage which has happened in the territorial limits during the period of insurance.

You and we may choose which law will apply to this policy. Unless both parties agree otherwise, English law will apply. However, if you are resident in Jersey, Guernsey, Alderney or the Isle of Man, the law of the island where you are resident will always apply to your policy and any dispute in relation to it will be within the jurisdiction of that island's relevant court. We've supplied this policy and other information to you in English and we'll continue to communicate with you in English.

We have not given you a personal recommendation as to whether this policy is suitable for your specific needs and just to let you know our consultants may receive a bonus if you purchase any cover with us.
